NETWORK PARTNERSHIP OPPORTUNITIES

BECOME A 'BSDS 2015 NETWORK PARTNER' AND CONNECT OUR AUDIENCE TO YOUR BUSINESS

At the occasion of BSDS 2015, VITO and TERI offer companies and organisations the opportunity to become a network partner for one of the network events on Monday 19 and Tuesday 20 October.

WHY SHOULD YOU BE A BSDS 2015 NETWORK PARTNER?

In supporting the global transition to a low carbon economy, BSDS 2015 will unite business leaders, delegates from civil society, the government and the public sector. Partnering with BSDS 2015 gives you widespread exposure to high level professionals and enables you to connect with your target audience. You can network with our national and international business leaders, delegates of government, decision makers and participants, and thus build new business relationships.

Exchange information between experts, focusing on the five topics that are the 'core' of this conference. Your organisation will benefit from interaction with a highly focused, motivated, engaged audience in the exciting environment of the prestigious historical building of 'The Royal Academy of Belgium'. BSDS 2015 provides a prime opportunity to raise your profile and put your products and services in front of more than 300 attendees by connecting your name to one of the network moments. This way your company or organisation will receive an outstanding level of exposure through a wide range of mediums.

WHAT DOES A BSDS 2015 NETWORK PARTNERSHIP INCLUDE?

You are designated as host of the chosen network opportunity on 19 or 20 October. This means you are granted exclusivity in the way you visualise your network moment in one of the prestigious halls of the Royal Academy of Belgium. You are free to organise the exposure of your company to your own wishes, such as displaying banners, table flags, company gadgets or by presenting a company clip.

Partnering with BSDS 2015 will ensure that your presence stands out and will increase your exposure through the following benefits:

- Acknowledgement as network partner on the BSDS 2015 website, including your partner's logo with a link to your company's home page;
- Your company will be added in all communication before, during and after the event;
- Prominent signature of your company or organisation as host of the selected network moment at the catering area and on all audio-visual slides;
- Use of the conference logo for own advertising;
- Depending on the chosen network formula, 1 to 3 free registrations will be offered for your guests or company staff (*Breakfast: 2 – Refreshment: 1 – Lunch: 3 – Reception: 2*);
- Depending on the selected network formula, your company will be allowed to delegate max. 5 employees to network during the chosen network moment in the catering hall (*Breakfast: 3 – Refreshment: 2 – Lunch: 5 – Reception: 4*);
- Free participation of your CEO or board member in the exclusive VIP dinner on Monday 19 October, organised at the Hilton Grand Place with a keynote address by Howard Gutman, former United States Ambassador to Belgium (*Breakfast 2 – Refreshment 1 – Lunch 2 – Reception 2*);
- Expression of thanks at the plenary events.
